

You boys!
Stop that!

I'm not a
Jap!

Jeeppers, kid,
calm down!

C'mon,
let's scam!

What's
the meaning
of this?

You
two weren't
fighting—
were
you?

Well?
Speak up!

Gosh, no,
Principal Dorfman.

We were
just gofin' around.
That's all.

Hold
on,
you!

I don't like
troublemakers.

Ya, but
he called me a
Jap!

You never mind that!
Just keep your own nose clean,
Miyamoto!

In the cafeteria...

Hey,
Jappo.

...and after school.

Wait up!

All aboard.

Hold on there,
sport. The car is full.

It's not
full. There's
plenty of
room in
there!

Not
for you, there
isn't!

No Japs
in my car.

Oh, ya? Well,
take it up with
Emperor Hirohito!

Sayonara,
slanty eyes.

Hey, that
ain't fair!

MESS HALL 2

I'm gonna
have a big, juicy steak
and then...

Oh, boy.

Spam, beans, and turnips.
That'll put some hair on your
chest!

Jeez, thanks.

Let's
go, people.
Keep the line
moving.

That night a cold wind blew in off the bay.

I'll get us some more blankets tomorrow.

This is just awful!

It's all right, Ma.

In the morning...

Should I wait for you?

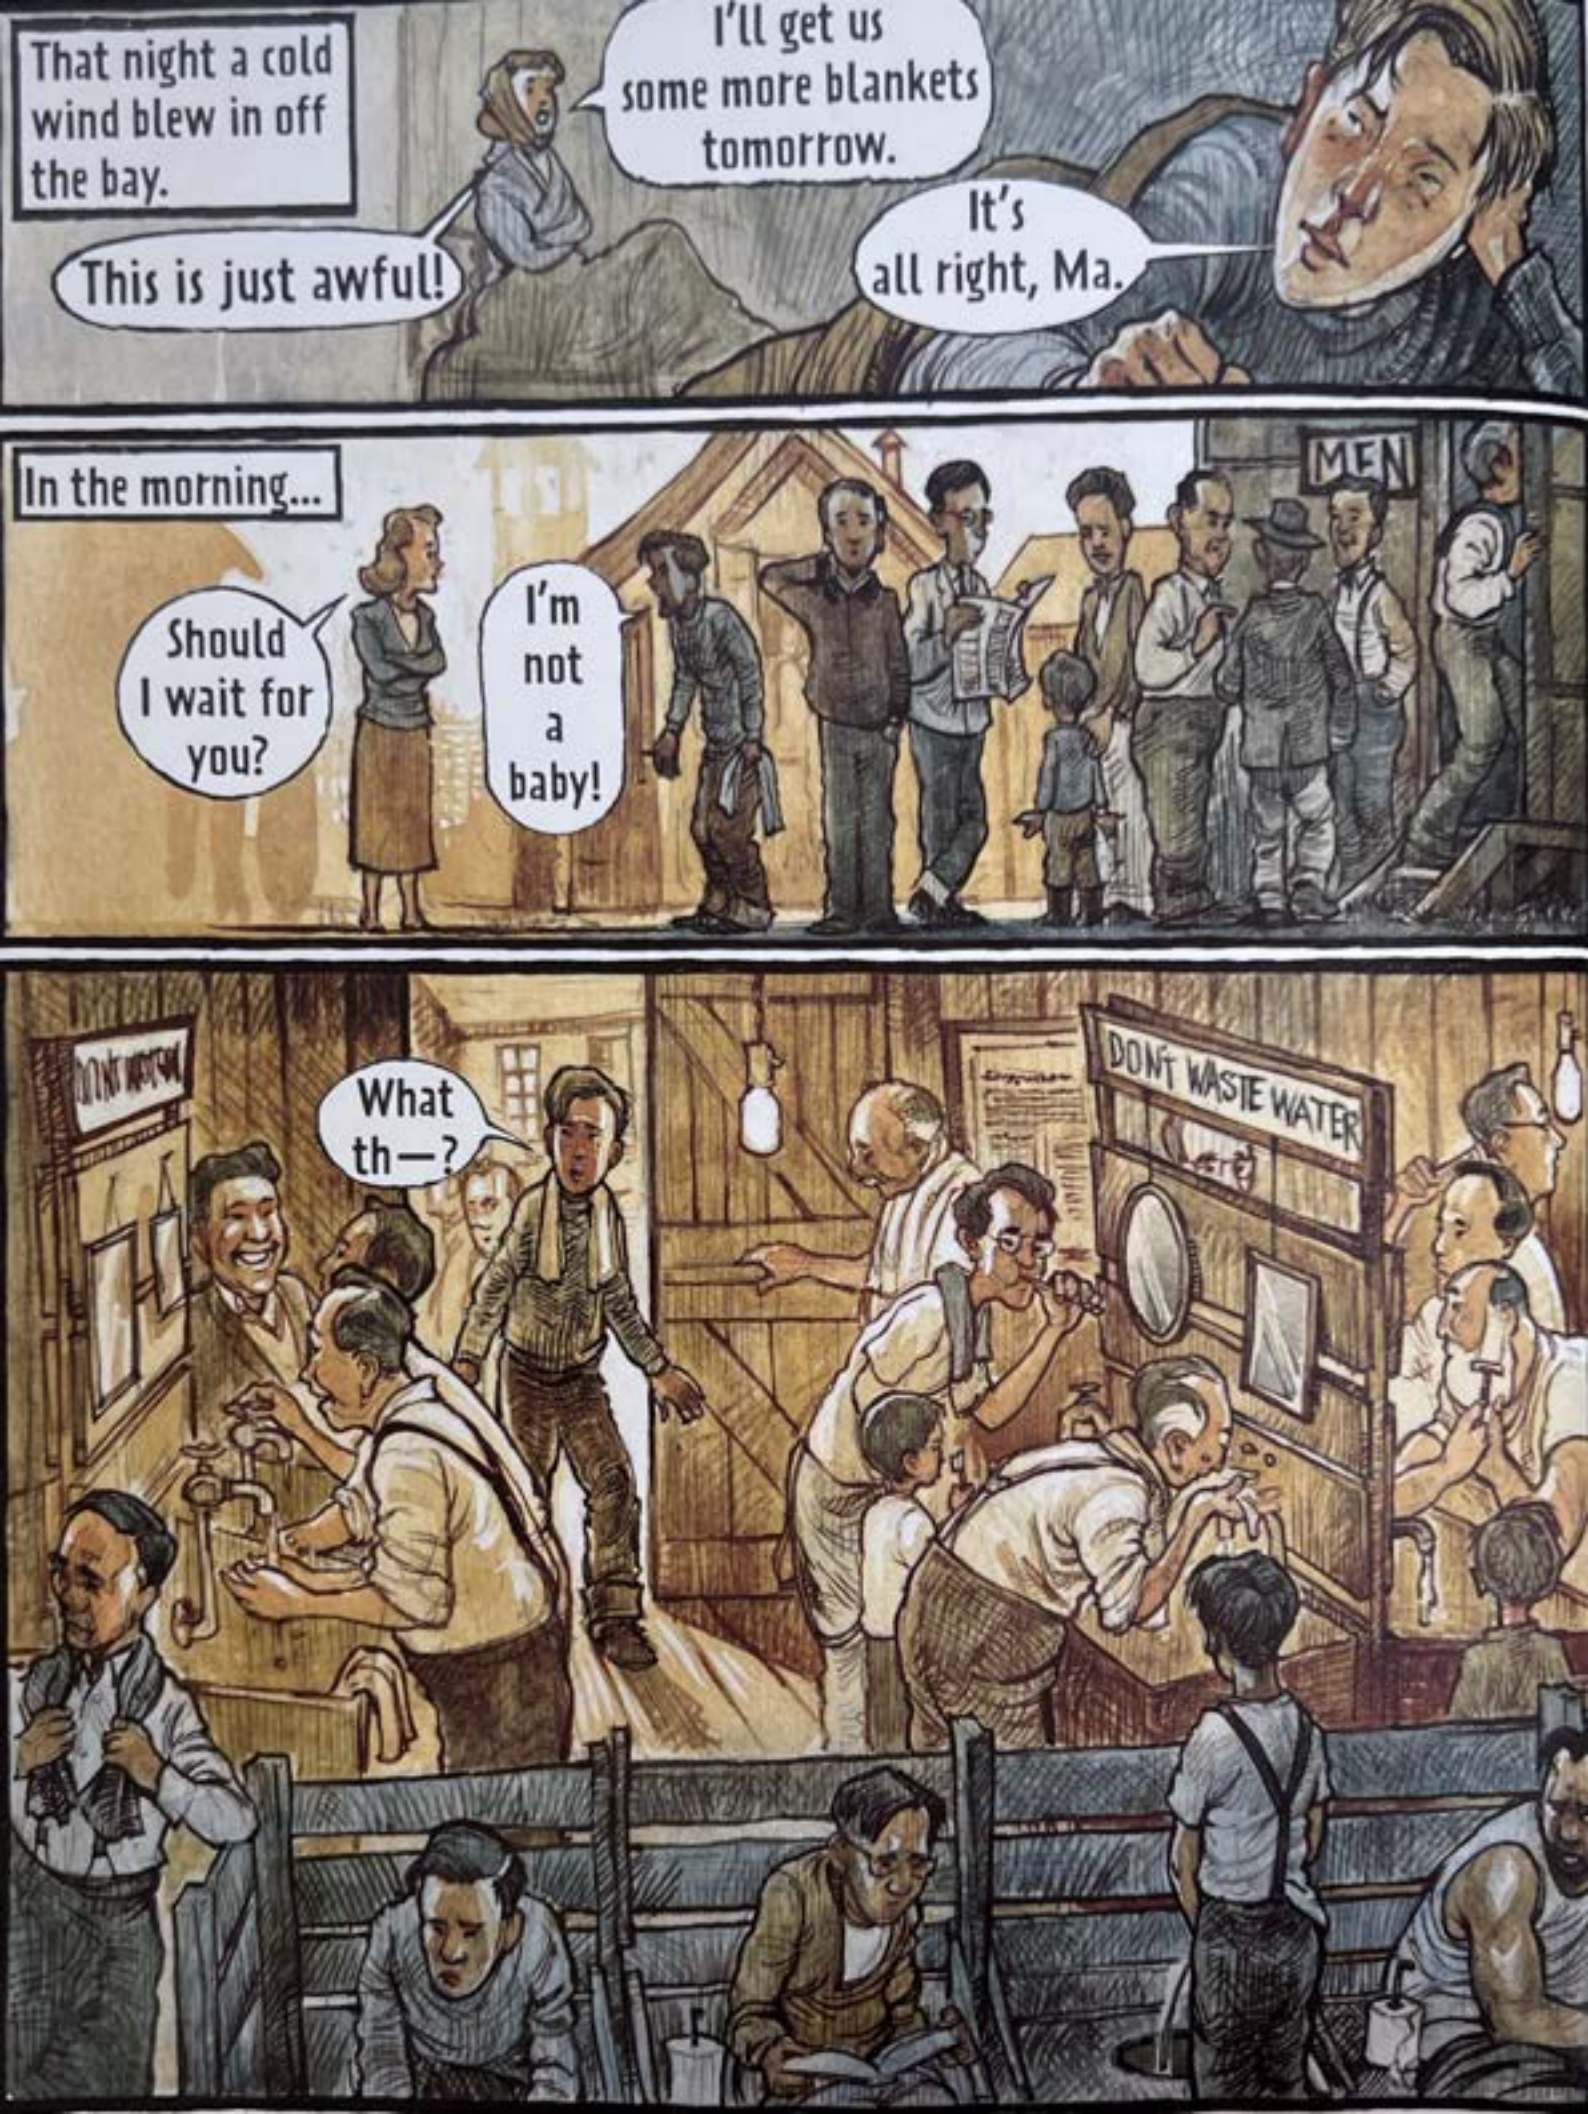

I'm not a baby!

MEN

DON'T WASTE WATER

What th—?

DON'T WASTE WATER

After breakfast...

Sorry, but I don't have a single blanket left. I gave the last one to the infirmary yesterday.

Thanks anyway.

I'm going over to the infirmary to see if they need help. Wanna come?

Nah. Think I'll just take a walk.

Hey, little guy. Whatcha up to?

Playin' marbles.
